

Nutrition Chart

The nutritional information seen here was prepared by MenuTrinfo®, LLC and is based on standard serving sizes and product formulations prepared with approved ingredients. The nutritional data presented are based on representative values from the USDA Nutrient Database for Standard Reference and information from product manufacturers. Variation may occur due to the handcrafted nature of our menu items or due to seasonal influences and/or sources of supply of our ingredients. Additionally, formulations may change on occasion or the substitution of ingredients or suppliers may be necessary which will alter the nutritional values. 2,000 calories a day is used for general nutrition advice, but calorie needs vary.

Movie Tavern Common Allergens

This allergen information has been provided by MenuTrinfo® to help give our guests the tools to make an informed food decision. All ingredient statements were found on Manufacturer generated spec sheets. It is possible that formulations may change or an ingredient or vendor substitution might be made which may not be immediately reflected in this chart. Please inform your server before ordering if you or someone in your party has a food allergy, sensitivity or other dietary concern.
